

April 24, 2006 – Richmond, BC

FOR IMMEDIATE RELEASE:

**ACROHELIPRO AWARDED SUPPORT CONTRACT FOR
ONTARIO MINISTRY OF NATURAL RESOURCES (OMNR)**

Richmond, BC April 20, 2006 – ACROHELIPRO Global Services Inc. a subsidiary of Vector Aerospace Corporation is pleased to announce the award of a contract to perform Repair and Overhaul services for the OMNR’s helicopter fleet. The contract consists of repair and overhaul of their RR250 and Arriel 1 series turbine engines for a period of 3 years with a 2-year possible extension clause.

Charles McIvor Executive Vice President for AcroheliPro stated “We are delighted to be selected to provide maintenance to such a prestigious customer as OMNR”.

ACROHELIPRO Global Services Inc. is a world leader in providing full service support, including maintenance, logistics and engineering services, for a wide variety of helicopter types.

Vector Aerospace is an independent provider of aviation repair and overhaul services. Through facilities in Canada, the United States and the United Kingdom it provides services to commercial and military customers for various types of gas turbine engines, components and helicopter airframes. It also provides information technology solutions to an international customer base. Principal operations include Atlantic Turbines, Sigma Aerospace, ACROHELIPRO Global Services and Pathix. The Company has approximately 1,100 employees.
